The Electrified Villages achievement of Ajmer Discom is changed to 4157 from 5690 of earlier reporting. Earlier reported progress of AVVNL included progress of power grid of Bhilwara.

\$ The Coverage in case of Uttar Pradesh is as per DPR. The Proposed coverage is to be revised to 27592 and accordingly the target will also undergo change. In Sultanpur (Supplementary)

267 UEVs covered and corresponding reduction from Evs made.

@ After survey these 6 villages have been identified as electrified villages.
