General terms and conditions

- 1. The scope of work covers <u>comprehensive maintenance</u> (including spare parts) of all the Digital Key Telephone Systems mentioned at Annexure-I. Contract will also cover power backup systems installed with all the systems, all cabling including MDF and crone.
- 2. The firm shall maintain the equipment as per manufacturer's guidelines and shall use standard components for replacement. <u>Until and unless written orders of the Section Officer (Admn. Ill-Section) are conveyed</u>, the original specification/characteristics/features shall not be changed.
- 3. All the complaints received shall be attended immediately as follows:
 - a. Minor faults with in 4 working hours.
 - b. Major faults within 24 working hours.
- 4. If the equipment is required to be transported to the firms/Manufacturer service workshop for repairs, the same shall be undertake at the risk and cost of the firm and standby equipment has to be provided to keep the system operative.
- 5. The replacement of the components i.e. Main unit, trunk card, extensions card, all type of telephone instruments installed, all parts of power backup system, cable connector, connecting wire etc will be free of any charges but if any cable replacement and SMF battery for power backup is required that may be on chargeable basis, as per the approved rates.
- 6. Firms are also requested to quote rate for the accessories items as mentioned at Annexure-II.
- 7. The firm will not be allowed to charge any extra amount for repair/replacement, if any, after entering in to the contract.
- 8. The Dir/Dy. Secretary (A), Ministry of Power shall have the right to terminate the contract without assigning any reason, what so ever to the firm at any time.
- 9. On expiry of the contract after one year, the firm will have to hand over the system in perfect working conditions to the Ministry, failing which suitable amount will be deducted from the due payment & earnest money.
- 10. Payment shall be made <u>pro-rata on half yearly basis</u> at the end of every six months subject to no long complaint pending.
- 11. Penalty, if any, shall be deducted from the running payments.
- 12. The firm shall carry out preventive maintenance regularly and shall plan, as per schedule of quantities, so that maintenance is carried out in each equipment <u>atleast</u> <u>once in three months</u>.
- 13. Rates for shifting of complete exchange if any, may be mentioned separately.

Anyl

- may be noted that for the earnest money, cash or cheque will not be accepted under any circumstances. The quotations which are received without the earnest money (pay order) shall be summarily rejected and tenderers shall have no right to represent against it, even if their quotation happens to be the lowest one. The firm who performance security is already available with the Ministry may not deposit earnest money with the quotations.
- 15. The Firm should quote WCT & Service tax Registration number and TIN number with documents.
- 16. All rates quoted should be without tax/VAT.
- 17. Rate should be guoted separately for each system.
- 18. Successful firms have to deposit an performance security as per detailed below:
 - a. For Siemens make system: Rs. 10, 000/-
 - b. For all other system as single contract Rs. 20, 000/-
- 19. The cover of the tender shall be superscripted as under: -

"QUOTATION FOR MAINTENANCE CONTRACT FOR COMPREHENSIVE MAINTENANCE (INCLUDING SPARE PARTS) OF VARIOUS MAKE TELEPOHE SYSTEM"

20. Ministry may extend the period of contract on the same cost and terms & conditions after expiry of the contract for any period as approved by the competent authority.
