A brief description of the project may be seen in the Information Memorandum of the Project at the Appendix VI. Brief particulars of the Project are as follows:

[*** in the state of ***]	***	[500]

The Utility intends to pre-qualify and short-list suitable Applicants (the “**Bidders**”) who will be eligible for participation in the Bid Stage, for awarding the Project through an open competitive bidding process in accordance with the procedure set out herein.

- 1.1.2 The selected Bidder, who is either a company incorporated under the Companies Act, 1956 or undertakes to incorporate as such prior to execution of the Power Purchase Agreement (the “**Concessionaire**”) shall be responsible for designing, engineering, financing, procurement, construction, operation and maintenance of the Project under and in accordance with the provisions of a long term agreement for purchase of power (the “**Power Purchase Agreement**” or the “**PPA**”) to be entered into between the Concessionaire and the Utility in the form provided by

¹ Serially numbered footnotes are for guidance of the Utility and should be omitted prior to issue of RFQ. Footnotes marked in non-numerical characters shall be retained in the RFQ.

⁵ This amount should normally include the likely construction cost plus 25% thereof by way of financing costs, physical and price contingencies etc.

the Utility as part of the Bidding Documents pursuant hereto. The concession period shall be pre-determined, and will be indicated in the draft PPA.

- 1.1.3 The scope of work will broadly include designing, financing, operation and maintenance of the Power Station and supply of power in accordance with the terms of the PPA.
- 1.1.4 Indicative capital cost of the Project (the "**Estimated Project Cost**") will be revised and specified in the Bidding Documents of the Project. The assessment of actual costs, however, will have to be made by the Bidders.
- 1.1.5 The Utility shall receive Applications pursuant to this RFQ in accordance with the terms set forth herein as modified, altered, amended and clarified from time to time by the Utility, and all Applications shall be prepared and submitted in accordance with such terms on or before the date specified in Clause 1.3 for submission of Applications (the "**Application Due Date**").

1.2 Brief description of Bidding Process

- 1.2.1 The Utility has adopted a two-stage process (collectively referred to as the "**Bidding Process**") for selection of the bidder for award of the Project. The first stage (the "**Qualification Stage**") of the process involves qualification (the "**Qualification**") of interested parties/ consortia who make an Application in accordance with the provisions of this RFQ (the "**Applicant**", which expression shall, unless repugnant to the context, include the Members of the Consortium). Prior to making an Application, the Applicant shall pay to the Utility a sum of Rs. 10, 000 (Rupees ten thousand) as the cost of the RFQ process.⁶ At the end of this stage, the Utility expects to announce a short-list of up to 7 (seven)⁷ suitable pre-qualified Applicants who shall be eligible for participation in the second stage of the Bidding Process (the "**Bid Stage**") comprising Request for Proposals (the "**Request for Proposals**" or "**RFP**").

Government of India has issued guidelines (see Appendix-V) for qualification of bidders seeking to acquire stakes in any public sector enterprise through the process of disinvestment. These guidelines shall apply *mutatis mutandis* to this Bidding Process. The Utility shall be entitled to disqualify an Applicant in accordance with the aforesaid guidelines at any stage of the Bidding Process. Applicants must satisfy themselves that they are qualified to bid, and should give an undertaking to this effect in the form at Appendix-I.

- 1.2.2 In the Qualification Stage, Applicants would be required to furnish all the information specified in this RFQ. Only those Applicants that are pre-qualified and short-listed by the Utility shall be invited to submit their Bids for the Project.

⁶The cost of RFQ may be determined at the rate of Rs. 5,000 for every Rs. 100 crore or part thereof comprising the Estimated Project Cost. Thus the cost of an RFQ document for a project of Rs. 1,000 crore shall be Rs.50,000.

⁷ In the case of a UMPP, the words "a short-list of up to 7 (seven) suitable" shall be omitted and the word "the" shall be added.

The Utility is likely to provide a comparatively short time span for submission of the Bids for the Project. The Applicants are, therefore, advised to visit the site and familiarise themselves with the Project.

- 1.2.3 In the Bid Stage, the Bidders will be called upon to submit their financial offers (the "**Bids**") in accordance with the RFP and other documents to be provided by the Utility (collectively the "**Bidding Documents**"). The Bidding Documents for the Project will be provided to every Bidder on payment of {Rs. 100,000 (Rs. one lakh only)}⁵. The Bid shall be valid for a period of not less than 120 days from the date specified in Clause 1.3 for submission of bids (the "**Bid Due Date**").
- 1.2.4 In terms of the RFP, a Bidder will be required to deposit, along with its Bid, a bid security [equivalent to about 1% (one per cent)⁸ of the Estimated Project Cost] (the "**Bid Security**"), refundable no later than [60 (sixty) days] from the Bid Due Date, except in the case of the selected Bidder whose Bid Security shall be retained till it has provided a Performance Security under the PPA. The Bidders will have an option to provide Bid Security in the form of a demand draft or a bank guarantee acceptable to the Utility⁹ and in such event, the validity period of the demand draft or bank guarantee, as the case may be, shall not be less than 180 (one hundred and eighty) days from the Bid Due Date, inclusive of a claim period of 60 (sixty) days, and may be extended as may be mutually agreed between the Utility and the Bidder from time to time. The Bid shall be summarily rejected if it is not accompanied by the Bid Security.
- 1.2.5 Generally, the Lowest Bidder shall be the selected Bidder. The remaining Bidders shall be kept in reserve and may, in accordance with the process specified in the RFP, be invited to match the Bid submitted by the Lowest Bidder in case such Lowest Bidder withdraws or is not selected for any reason. In the event that none of the other Bidders match the Bid of the Lowest Bidder, the Utility may, in its discretion, invite fresh Bids from the remaining Bidders or annul the Bidding Process, as the case may be.
- 1.2.6 During the Bid Stage, Bidders are invited to examine the Project in greater detail, and to carry out, at their cost, such studies as may be required for submitting their respective Bids for award of the concession including implementation of the Project.
- 1.2.7 As part of the Bidding Documents, the Utility will provide a draft PPA and feasibility report prepared by the Utility /its consultants and other information pertaining/ relevant to the Project available with it.
- 1.2.8 Bids will be invited for the Project on the basis of a tariff to be offered by a Bidder for production and supply of electricity in accordance with the terms of the draft PPA forming part of the Bidding Documents. For the purposes of bidding

⁵ The actual amount will be indicated in the RFP.

⁸ The Utility may, if deemed necessary, prescribe a higher bid security not exceeding 2% of the Estimated Project Cost. In case of a project having an Estimated Project Cost of Rs. 2,000 cr. or above, the Utility may reduce the bid security, but not less than 0.5% of the Estimated Project Cost in any case.

⁹ The format for the bank guarantee has been published as part of the Model RFP document.

hereunder, the Fixed Charge [and Fuel Charge] will constitute the tariff for the Power Station (the “**Tariff**”).

Explanation¹⁰

[(a) Since the Bidder is expected to source concessional fuel from Coal India Limited or a subsidiary thereof (the “**CIL**”), the Fuel Charge shall be a ‘pass through’ in accordance with the terms of the PPA. However, the element of coal transportation and transmission losses may vary from case to case and shall also form part of the Fuel Charge. The Bid for the Project shall, therefore, only comprise the Fixed Charge to be offered by the Bidder and the Bidder seeking the lowest Fixed Charge shall be the selected Bidder.]

[(b) Since the Bidder is expected to source fuel from captive mines separately allotted to it by a Governmental Instrumentality, the Bid for the Project shall be the Tariff comprising the Fixed Charge and Fuel Charge which shall be specified separately. As a condition of bidding, the Fuel Charge to be offered by the Bidder shall not exceed Rs. *** per KWh and shall not be lower than Rs. *** per KWh¹¹. The Bidder seeking the lowest Tariff shall be the selected Bidder.]

The Bid for the Project shall, therefore, only comprise the Fixed Charge to be offered by the Bidder and the Bidder seeking the lowest Fixed Charge shall be the selected Bidder.]

[(d) Since the Bidder is expected to source all or part of the fuel through imports at market prices, the Fuel Charge shall be a ‘pass through’ in accordance with the terms of the PPA. The Bid shall, therefore, only comprise the Fixed Charge to be offered by the Bidder and the Bidder seeking the lowest Fixed Charge shall be the selected Bidder.]

[(e) Since the Bidder is expected to source fuel through imports from captive mines situated outside India or from a long term fuel supply contract in respect thereof, the Bid for the Project shall be the Tariff comprising the Fixed Charge and the Fuel Charge which shall be specified separately. As a condition of bidding, the Fuel Charge to be offered by the Bidder shall not exceed an amount that reflects [80%/85%/90%] of the price of Fuel computed with reference to the average API 4 Index (South Africa) for a period of 180 (one hundred and eighty) days immediately preceding the date of Bid in accordance with Clause 26.2.2 of the draft PPA forming part of the Bidding Documents. Further, the Fuel Charge shall not be lower than an amount that reflects ***% (***) per cent) of the price of

¹⁰ Depending upon the choice of Fuel source, only the applicable Sub-clause may be retained and the remaining Sub-clauses should be omitted. However, in case the Fuel to be procured under Sub-clause (a) is to be supplemented by imported Fuel, the Utility may retain both Sub-clause (a) and Sub-clause (d).

¹¹ The Utility shall specify the ceiling, but it may, in its discretion, also specify the floor for the Fuel Charge.

Fuel computed with reference to the aforesaid index¹². The Fuel Charge to be offered by the bidder shall be quoted in US cents per KWh. For the purposes of evaluation of the Bid, the exchange rate to be used for conversion into Indian Rupees shall be the mean of the buying and selling rate quoted by the State Bank of India on the closing of the working day that precedes the date of Bid. As specified in the PPA, the freight and transportation charges shall be payable separately in accordance with the provisions of Clause 26.2.4 thereof. The Bidder seeking the lowest Tariff shall be the selected Bidder.]

In this RFQ, the term “**Lowest Bidder**” shall mean the Bidder who is offering the lowest Tariff[§].

1.2.9 Further and other details of the process to be followed at the Bid Stage and the terms thereof will be spelt out in the Bidding Documents.

1.2.10 Any queries or request for additional information concerning this RFQ shall be submitted in writing or by fax and e-mail to the officer designated in Clause 2.13.3 below. The envelopes/ communications shall clearly bear the following identification/ title:

For the avoidance of doubt, a project which constitutes a natural monopoly such as an airport or port should normally be included in this category even if it is not based on a long-term agreement with a public entity;
- (b) the entity claiming experience should have held, in the company owning the Eligible Project, a minimum of 26% (twenty six per cent) equity during the entire year for which Eligible Experience is being claimed;
- (c) the capital cost of the project should be more than [Rs. 100 crore (Rs. one hundred crore)]¹⁹; and
- (d) the entity claiming experience shall, during the last 5 (five) financial years preceding the Application Due Date, have (i) paid for development of the project (excluding the cost of land), (ii) collected and appropriated the revenues from users availing of non-discriminatory access to or use of fixed project assets, such as revenues from transmission/distribution systems, highways, airports, ports and railway infrastructure, and/or (iii) collected and appropriated the revenues from sale of electricity produced by it, but shall not include revenues from sale or provision of goods or services such as, gas, petroleum products, telecommunications or fare/freight revenues and other incomes of the company owning the Project or revenues from sale of electricity by a distribution company.

3.2.4 For a project to qualify as an Eligible Project under Categories 3 and 4, the Applicant should have paid for execution of its construction works or received payments from its client(s) for construction works executed, fully or partially, during the 5 (five) financial years immediately preceding the Application Due Date, and only the payments (gross) actually made or received, as the case may be, during such 5 (five) financial years shall qualify for purposes of computing the Experience Score. However, payments/receipts of less than [Rs. 100 crore (Rs. one hundred crore)]²⁰ shall not be reckoned as payments/receipts for Eligible Projects. For the avoidance of doubt, construction works shall not include supply of goods or equipment except when such goods or equipment form part of a turn-key construction contract/ EPC contract for the project. Further, the cost of land shall not be included hereunder.

3.2.5 The Applicant shall quote experience in respect of a particular Eligible Project under any one category only, even though the Applicant (either individually or along with a member of the Consortium) may have played multiple roles in the cited project. Double counting for a particular Eligible Project shall not be permitted in any form.

¹⁹ This amount should not be less than 20% of the Estimated Project Cost. In case of projects with an Estimated Project Cost of Rs 1,000 cr or above, this amount may be suitably reduced but not less than 10% in any case.

²⁰ This amount should be determined as per footnote 15 above.

3.2.6 Subject to the provisions of Clause 3.2.7, an Applicant's experience shall be measured and stated in terms of a score (the "**Experience Score**"). The Experience Score for an Eligible Project in a given category would be the eligible payments and/or receipts specified in Clause 2.2.2 (A), divided by one crore and then multiplied by the applicable factor in Table 3.2.6 below. In case the Applicant has experience across different categories, the score for each category would be computed as above and then aggregated to arrive at its Experience Score.

Table 3.2.6: Factors for Experience across categories²¹

Categories	Factor
Category 1	1.25
Category 2	1.00
Category 3	0.75
Category 4	0.50

3.2.7 The Experience Score determined in accordance with Clause 3.2.6 in respect of an Eligible Project situated in a developed country which is a member of OECD shall be further multiplied by a factor of 0.5 (zero point five) and the product thereof shall be the Experience Score for such Eligible Project.

3.2.8 Experience for any activity relating to an Eligible Project shall not be claimed by two or more Members of the Consortium. In other words, no double counting by a Consortium in respect of the same experience shall be permitted in any manner whatsoever.

3.3 Details of Experience

3.3.1 The Applicant should furnish the details of Eligible Experience for the last 5 (five) financial years immediately preceding the Application Due Date.

²¹These factors may be modified by the Utility by up to 15% thereof in each category.

- 3.4.2 In case the annual accounts for the latest financial year are not audited and therefore the Applicant cannot make it available, the Applicant shall give an undertaking to this effect and the statutory auditor shall certify the same. In such a case, the Applicant shall provide the Audited Annual Reports for 5 (five) years preceding the year for which the Audited Annual Report is not being provided.
- 3.4.3 The Applicant must establish the minimum Net Worth specified in Clause 2.2.2 (B), and provide details as per format at Annex-III of Appendix-I.

3.5 Short-listing of Applicants²²

- 3.5.1 The credentials of eligible Applicants shall be measured in terms of their Experience Score. The sum total of the Experience Scores for all Eligible Projects shall be the 'Aggregate Experience Score' of a particular Applicant. In case of a Consortium, the Aggregate Experience Score of each of its Members, who have an equity share of at least 26% in such Consortium, shall be summed up for arriving at the combined Aggregate Experience Score of the Consortium.
- 3.5.2 The Applicants shall then be ranked on the basis of their respective Aggregate Experience Scores and short-listed for submission of Bids. The Utility expects to short-list upto 7 (seven)²³ pre-qualified Applicants for participation in the Bid Stage. [3.5 Pre-qualification and scoring

- 3.5.1 *In the case of this Ultra Mega Power Project (UMPP), the application of factors specified in Table 3.2.6 contained in Clause 3.2.6 as shall be dispensed with and the Experience Scores shall be determined without application of the factors specified therein. All other references to such factors in this RFQ shall also be deemed to be void.*
- 3.5.2 *All pre-qualified Applicants shall be eligible for participating in the Bid stage of this UMPP and references to short-listing in this RFQ shall be deemed to be void.]*

²² Clause 3.5 shall be omitted in the case of a UMPP and substituted by Clause 3.5 as in italics.

Guidelines of the Department of Disinvestment

(Refer Clause 1.2.1)

No. 6/4/2001-DD-II
Government of India
Department of Disinvestment

Block 14, CGO Complex
New Delhi.
Dated 13th July, 2001.

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.
- (b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- (c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.

²⁶ These guidelines may be modified or substituted by the Government from time to time.

- (d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
- (f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- (g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
