Ministry of Power's Advertisement No.7/1/2015-T&R

NATIONAL POWER TRAINING INSTITUTE (NPTI)

(An Autonomous Registered Society under Ministry of Power)

Applications are invited from Indian citizens in the prescribed format for filling up the post of Director General, NPTI, on deputation basis. The post carries a scale of pay of Rs. 67000-79000/- with annual increment @ 3% with usual allowances as per Central Government rules.

NPTI is an Apex body at the National Level for development of human resources for the power & energy sectors. With its HQ. Office at Faridabad, NPTI operates on an all India basis through its Regional Institutes located at Neyveli (Tamil Nadu), Durgapur (West Bengal), Badarpur (New Delhi), Nagpur (Maharashtra), Guhawati (Assam) and Nangal (Punjab) & specialized Centres viz. Power Systems Training Institute (PSTI) & Hot line Training Centre (HLTC) at Bangalore, a Centre for Advanced Management and Power Studies (CAMPS) at Faridabad, Haryana. Several long-term and short-term training programs in the areas of Thermal, Hydro, Transmission & Distribution and Management etc. are being conducted in the various Institutes of NPTI. Besides conducting refresher training for working engineers/supervisors NPTI conducts a large number of job-oriented training programs such as MBA in Power Management, B.Tech (Power) and Post Graduate Diploma in Thermal Power Plant Engineering, PG Diploma in Geographical Information System & Remote Sensing etc. to inculcate professional skills in the freshly pass out Graduates and Diploma holders etc.

The affairs of NPTI are managed, administered, directed and controlled by the Governing Council in accordance with its Memorandum of Association, Rules & Regulations and Bye-laws. The president of the Society and the Chairman of the Governing Council is Secretary, Ministry of Power. Director General is the Chief Executive Officer of the Organisation. The Director General has powers similar to the powers of a Head of the Department under the Govt. of India, exercising his powers under the direction, and control of the Chairman of the Governing Council of NPTI.

Conditions of Eligibility:

Persons who:

- I) have at least 17 (seventeen) years experience and have shown capacity in :
 - i) design , construction, operation and maintenance of generating stations;
 - ii) transmission and supply of electricity;
 - iii) applied research in the field of electricity;
 - iv) applied economics; or
 - v) industrial, commercial and financial matters and;
 - II) have held
 - a) the post of Chief Engineer or equivalent or a higher grade on a regular basis for a period of at least three years under the Central Govt. or a State Govt.
- OR
- b) any post equivalent to that of a post mentioned in clause (a) above for a period of at least three years under a State Electricity Board or a Semi Govt.

Organization or a Public Sector Undertaking or a University or an Indian Institute of Technology.

(Note: The conditions of eligibility above are the minimum and mere possession of the same would not entitle any candidate for being short-listed. Government reserves the right to reject, without assigning any reason thereof, any or all the applications received).

Period of deputation :

The period of deputation shall normally be for a period not exceeding five years from the date of appointment as Director General.

The term of deputation shall be further restricted to the date on which the officer attains the age of superannuation in his parent organization, unless he is granted extension of service or is re-employed beyond the age of superannuation.

Where the prescribed term of office of Director General expires before he attains the age of superannuation, the Govt. may extend the term of his office for a further period not exceeding the date of his superannuation.

Age Limit :

The maximum age limit for appointment by deputation shall not be exceeding 56 years as on the closing date of receipt of applications.

Job Description :

The post of Director General, NPTI is an important assignment in the field of training in the Power Sector. A competent officer with requisite background, knowledge and experience is required to fill up the vacancy to give impetus to the training activities which would increase due to the massive power development programme. It will be the responsibility of Director General to –

- a) initiate, coordinate and execute training programmes in the power sector;
- b) assess the total training needs of the power sector in the country and set up additional training facilities, if required;
- c) suitably organize the training of Engineers and operators on modern lines ;
- d) update the curriculum and training methodology to ensure that the latest technical developments in the fields of power plant engineering and associated systems as well as modern scientific management practices are incorporated in the training programmes;
- e) process the proposal for progress and expansion of the activities of the Society including its Institutions;
- f) administer the affairs of the Society under the directions and guidance of Governing Council; and
- g) to exercise general supervision over various other activities under the Society.

NOTE :

- (i) Qualifications and experience prescribed above are minimum and mere possession of the same does not entitle any candidate to be called for interview. In case the number of applications is large, the candidates for interview may be restricted to a reasonable limit, on the basis of qualifications and experiences.

- (ii) Government reserves the right to reject, without assigning any reason thereof, any or all the applications received.
- (iii) Pay Fixation: NPTI follows the Central Government pattern of pay and allowances (including sumptuary allowance) and pay will be fixed accordingly.
- (iv) Other conditions of service such as Provident Fund, LTC, Medical Reimbursement etc. will be governed by the various relevant rules and orders as applicable in NPTI from time to time.

Residential Accommodation:

Residential accommodation is available at NPTI Complex, Sector-33, Faridabad and will be provided (if required) on payment of prescribed licence fee.

The applications are required to be furnished in the prescribed format given at Annexure-III (Parts A&B).

Applications complete in all respects in the prescribed format should reach **The Under Secretary, T&R Section, Ministry of Power, 'F' Wing, 2nd Floor, Gate No.2, Nirman Bhawan, Maulana Azad Road, New Delhi-110011 within 4 weeks from date of publication.** Candidates working in Central/State Governments/Electricity Boards/ Universities/Public Sector Enterprises/Statutory /Semi-Govt. or Autonomous Organisations etc. should forward their applications **through proper channel with Part (B) of the format duly completed.** Advance copies shall not be entertained. Incomplete applications or the ones received after the prescribed date shall not be considered. Canvassing in any form will make the applicant liable for disqualification.
