No. 03/ITP-18/15-16/WKTL/11-RFQ

Joint Secretary (Transmission)
Ministry of Power
Shram Shakti Bhawan,
New Delhi – 110 001.

Subject: Publishing Revised RfQ notice and Revised RfQ Documents for Selection of the Transmission Service Provider for establishing transmission system for “Additional inter-Regional AC link for import into Southern Region i.e. Warora-Warangal and Chilakaluripeta-Hyderabad-Kurnool 765kV link” on the website of MoP

Madam,

The RfQ process for the subject transmission scheme “Additional inter-Regional AC link for import into Southern Region i.e. Warora-Warangal and Chilakaluripeta-Hyderabad-Kurnool 765kV link” was initially initiated on April 23, 2015. Subsequently, CEA vide its letter No. 52/7/2015- PSP&PA-II/ dated 28.08.2015 had informed that due to the difficulty in obtaining Right of Way (RoW) at existing Hoody 400 kV S/S for Cuddapah-Hoody 400 kV Line, the scope of the transmission scheme has been modified by dropping Cuddapah-Hoody 400 kV D/C element (200 km) (Copy enclosed). Further, CEA advised PFCCL to redo the RfQ process with the modified scope. In view of this, the bidding process is being re-initiated.

The bid process for selection of Transmission Service Provider (TSP) for establishing transmission system for “Additional inter-Regional AC link for import into Southern Region i.e. Warora-Warangal and Chilakaluripeta-Hyderabad-Kurnool 765kV link” has been re-initiated with the publication of RfQ notice on September 11, 2015 (copy of the RfQ notification enclosed). The last date for submission of Responses to RfQ is October 12, 2015.

It is requested that in line with the requirements of the Guidelines (clause 9.2 of Tariff based Competitive-bidding Guidelines for Transmission Service), the RfQ Notice and RfQ document may be published on the website of Ministry of Power. The soft copy of the RfQ Notice and RfQ document has been mailed separately at the email address transdesk-mop@nic.in. We are also enclosing herewith the RfQ documents for your kind information, perusal and records please.

Thanking you

Yours sincerely,

(Sanjay Nayak)
AVP

6. PFCCCL letter no. 03/ITP-215-16/WKTL/RFQ dated 10.07.2015
7. CEA letter no. 100/11/PFC-17/2015—SP & PA/1668-69 dated 27.07.2015
8. Gazette (Extraordinary) No. 329, Part-II- Section 3 -Sub section (ii) dated February 9, 2015

Sir/Madam,

1. This has reference to various proposals / reasons for changes in the scope of the following schemes being implemented under Tariff Based Competitive Bidding (TBCB):
   (i) “Strengthening of transmission system beyond Venagiri” - bidding by RECTPCL
   (ii) “Additional inter-regional AC links for import of power into Southern Region” - bidding by PFCCCL

Sh. N. S. Bhatia, AIP

Dlm.
2. The changes in scope of these two schemes would be required mainly because of the following reasons:

   a) Changes in rating (MVar) of some of the line reactors at various locations due to change in estimated length of the lines found out after preliminary survey by the BPCs.

   b) Inconsistency in the scope of the scheme 'as notified in the gazette' viz-a-viz the 'scope as agreed in the Standing Committee on Power System Planning in the Southern Region (SCPSPSR)'.

   c) Difficulty in obtaining Right of Way at existing Hoody 400kV S/S for the Cuddappah – Hoody 400kVD/c line under scope of (ii) scheme.

   d) The suggestion to keep the line bays and switchable line reactors, at Chilakaluripeta end of Warangal – Chilakaluripeta 765 kV D/c line, in the scope of (i) scheme in place of in the scheme(ii), due to ease of implementation and O&M.

3. To discuss the modifications in the scope of these two schemes, a meeting was held in the O/o CE(PSP&PA-II), CEA with officials from CTU, RECTPCL and PFCCCL on 19-Aug-2015. Minutes of the meeting are enclosed. Based on these discussions, the scope of the two schemes is being modified as given in the following tables under Annex-I.

   1. Modified scope of the scheme - “Strengthening of transmission system beyond Vemagiri” - bidding by RECTPCL

   2. Modified scope of the scheme - “Additional inter-regional AC links for import of power into Southern Region” - bidding by PFCCCL

Accordingly, we give our in-principle approval for the change in scope of these schemes which are being implemented under TBCB.

4. The ‘Modified Scope’ is proposed to be taken up in the forthcoming meeting of the Standing Committee on Power System Planning of Southern Region and would be notified in the Gazette after taking up in the Empowered Committee.

5. However, in the meantime, PFCCCL and RECTPCL may continue the bidding process, with the modified scope, so that the two schemes can be completed in time. Further, PFCCCL is advised to redo the RFQ with the modified scope.

This issues with the approval of Member(Power System).

Yours faithfully,

(Pardeep Initial)
Director (PSP&PA-II)

Enc/I; As above.

Copy to:
CE (PSP&PA-I Division), CEA : For information and further necessary action please.

**Note - 2:** The “Cuddapah – Hoodi 400kV (quad) D/c line with 63 MVAR switchable line reactor at both end” has to be reviewed in later stage, therefore the same is now deleted from the scope of this scheme.
GLOBAL INVITATION FOR QUALIFICATION FOR SELECTION OF TRANSMISSION SERVICE PROVIDER ON BUILD, OWN, OPERATE AND MAINTAIN (BOOT) BASIS FOR "ADDITIONAL INTER-REGIONAL AC LINK FOR IMPORT INTO SOUTHERN REGION FROM WARORAE-WARANGAL AND CHILAKALURIPET-HYDERABAD-KURNOOL-765/242 KV LINK".

The scheme for "Additional Inter-Regional AC link for import into Southern region from Warora-Warangal and Chilakaluripet-Hyderabad-Kurnool-765/242 KV Link" for which the bidding process was initiated on 29.03.2015, the scope of the scheme has been modified. In view of this, the bidding process is being re-initiated.

PFC Consulting Limited, a wholly owned subsidiary of Power Finance Corporation Limited (A Government of India Undertaking), is the Bid Process Coordinator appointed by Ministry of Power, India, for preparing the bidding documents for the scheme. PFC Consulting Limited, registered office at First Floor, "Ujadhri", 1, Barakhamba Lane, Connaught Place, New Delhi-110001, India is the competent authority for handling and addressing all queries related to the bidding process.
