[To be published in the Gazette of India, Extraordinary, Part-II, Section 3, sub-section (i)]

GOVERNMENT OF INDIA

MINISTRY OF POWER

New Delhi, the ..... September, 2021

**NOTIFICATION**

G.S.R. .... (E).- In exercise of the powers conferred by sub-section (1) read with clause (z) of sub-section (2) of section 176 of the Electricity Act, 2003 (Act 36 of 2003), the Central Government hereby makes the following rules, to amend the Electricity (Rights of Consumers) Rules, 2020, namely:-

1. (1) These rules may be called the Electricity (Rights of Consumers) Amendment Rules, 2021.

(2) They shall come into force on the date of their publication in the Official Gazette.

2. In the Electricity (Rights of Consumers) Rules, 2020 (hereinafter referred to as the said rule), in rule 10,-

(a) after sub-rule 2, the following clause shall be inserted, namely:-

(3) In view of the increasing pollution level particularly in the metros and the large cities, Distribution Licensee shall ensure 24x7 uninterrupted power supply to all the consumers, so that there is no requirement of running the Diesel Generating sets. Accordingly, the State Commission shall give trajectory of System Average Interruption Frequency Index (SAIFI) and System Average Interruption Duration Index (SAIDI) for the cities. The State Commission may

consider a separate reliability charge for the Distribution company, if they require funds for investment in the infrastructure for ensuring the reliability of supply to the consumers. The State Commission shall also make a provision of penalty in case the standards laid down are not met by the distribution company.

(4) Consumers, who are using the Diesel Generating sets as essential back up power, shall endeavor to shift to cleaner technology such as RE with battery storage etc in five years from the date of the publication of this amendment or as per the timelines given by the State Commission for such replacement based on the reliability of supply by the distribution company in that city.

(5) The process of giving temporary connections to the consumers for construction activities or any temporary usage etc shall be simplified by the distribution licensee and given on an urgent basis and not later than 48 hours. This will avoid any use of DG sets for temporary activities in the area of the distribution licensee. The temporary connection shall be through a prepayment meter only.

[File No. 23/05/2020-R&R]

(Ghanshyam Prasad)

Joint Secretary to the Government of India

**Note:** The principal rules were published in the Gazette of India, Extraordinary *vide* notification number G.S.R. 818(E), dated the 31<sup>st</sup> December, 2020.
